

## REDUCE THE TIME TO FACTOR GET PAID FASTER

Simply log into ARNIE, view your Repair Authorities and with just 'one tick' in a box you can request Pre-repair Finance AND/OR Invoice Factoring.

You will receive an immediate response in ARNIE and via email to whether your request is approved.

IT'S REALLY FAST! The next time you will hear from us is when we put cash in your bank account!

NO MORE Software to learn  
NO MORE Filling out factoring "Application Forms" and sending them back  
NO MORE Paying Application Fees  
NO MORE Printing out invoices  
NO MORE Filling in factoring forms  
NO MORE Getting supporting documents together, faxing or scanning and emailing  
NO MORE Phoning the Factoring Company to check on documents.

### PRE-REPAIR FINANCING

Available where an insurance company has approved the repair quote but the work has not commenced.

Onetick will pay for any supplier invoice(s) up to the approved value of your quote.

### INVOICE FACTORING

Factoring (or Post-repair) finance is available where a smash repairer has completed the repair work.

In most cases money will be in your bank account the next business day.
